The sophomore year is perhaps one of the least glorious, yet most rewarding times in a student's high school career. Sophomore athletes do more "bench sitting" than their team mates in any other classes. These who do participate, often spend their times on unrecognized JV teams.

It is a year of intense learning and training. It may not be glamorous, but it is necessary.

Sophomores makeup a vital part of many school clubs and activities. They are often the people behind

the scene at such events as the class plays. They are the hidden third chair musicians at band concerts.

The sophomore year is also a year of planning and decision. Sophomores are exposed to the facilities of the Allegheny Intermediate Unit, where they can study careers and possibilities for further education. At the year's end, a select group must decide between classroom work at Northgate, or technical training at Beattie. Their decision as a sophomore may affect the rest of their life.

Juniors are much more than next year's seniors waiting in the shadows. They play a vital, integral role in the activities of our school.

The junior year is one in which to accumulate knowledge and awards. Juniors comprise the largest group of first year varsity letter winners in the school. They receive the opportunity to perform on stage, rather than behind the curtain, as they present their own class play.

The junior year means reading novels in American Literature, and memorizing the lobes of the brain in

health class. It encompasses learning about the Bull Moose Party, Al Capone, and Lizzy Borden in Modern America.

This year's junior class was actively involved in student government, sponsoring dances, and selling candy. They aided greatly in the planning of the prom and homecoming. In view of their participation this year, these juniors show great potential for taking over student leadership role in our school, as next year's senior class.

The Best of the Best at State

Head Coach G. A. William Caldwell

This year's **VARSITY CROSS COUNTRY** team continued in the winning tradition of years past. The Flames scorched their opponents, running up an undefeated season record of 11-0. The team finished second in the Central Catholic Invitational, third in the A.I.C. Invitational, and eighth in the State Finals. Besides their achievements on the course, members of the team participated in many other school activities, and served as a spark which kindled school spirit.

The **JUNIOR VARSITY** team proved to be the best ever in Northgate's five season history. The team compiled an undefeated season record and won the A.I.C. Championship. Considering the vast number of promising underclassmen runners, the future of Northgate Cross Country's winning tradition seems secure.

FEMALE FLAMES BURN BRIGHT

Girls' Cross Country was a brand new sport this year! The girls had to learn how to run for miles. The team consisted of many freshmen along with a freshman coach, Miss Costello. After practicing in the hot August weather for two weeks the girls began the year dismally because none of the schools on the schedule for the first three weeks had gotten a team together. But after scraping around they succeeded in finding eight teams to match up against. They came out of these matches with a record of four wins and four losses, a successful record for a first year team. This team went to the W.P.I.A.L. finals and finished third. It was a very successful season for a team that began with no opponents.

GALLANT MEN WHO DID THEIR BEST

In analyzing Northgate football for this year, we must look beyond wins and losses, which showed only two victories in the season. Although plagued by injuries, and inexperience, the team never gave up.

Underclassmen came through for their injured colleagues, showing great potential and gaining precious experience. While Northgate did not enjoy a championship season, each participant in the program grew in knowledge and acquired pride. It is fair to say that these gains must be realized in sports, and at Northgate the emphasis was properly placed.

WE ARE THE CHAMPIONS

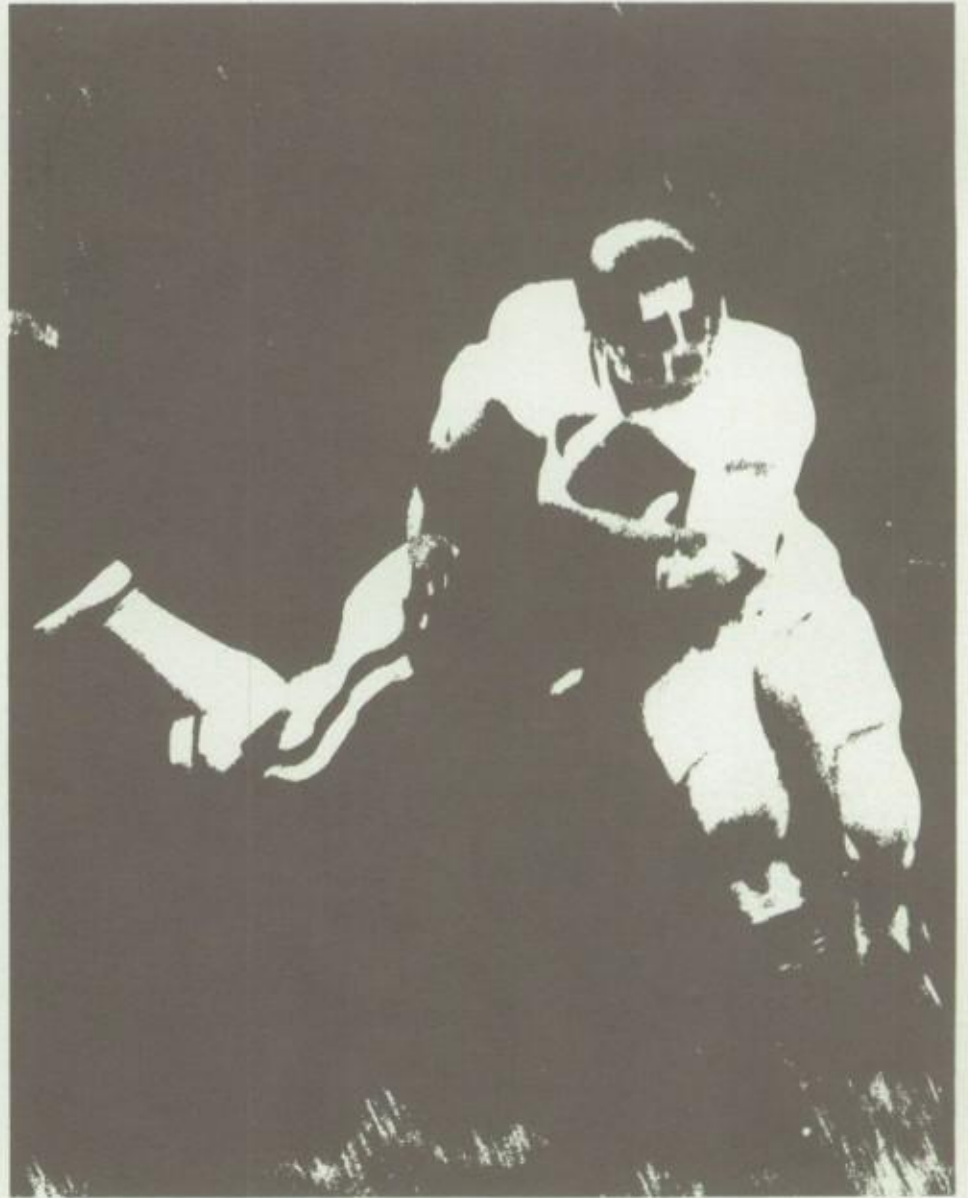

The Northgate Junior High football team went an undefeated 6-0 this season. Under the direction of Coach Rich Hile and Assistant Coach Jack Downey the team overpowered its five regular season opponents and went on to defeat Leechburg at the A.I.C. bowl game. The victory in the bowl game earned Northgate the A.I.C. Championship. Team members worked hard to achieve great success, often with little recognition. Northgate has a proud spirited junior high program. Their championship skills will enhance Northgate football for years to come, and the values they acquired will remain with them for the rest of their lives.

THE SPIKERS ARE HERE

As the end of the summer came closer, there were twenty-two girls in the high school gym digging, setting, and spiking. No they weren't repaving the gym; they were preparing for another volleyball season.

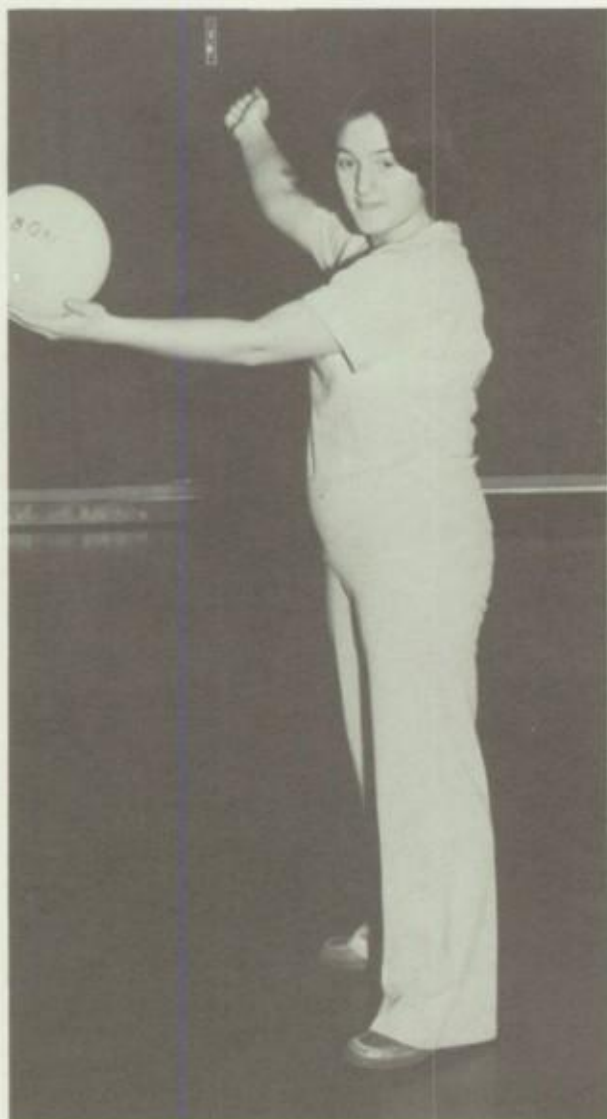

As these girls practiced their serves, school started and the season was upon them. They only had three returning letterwomen and had to find the other three members of the varsity team. After many switches they found the six and began what ended up as a similar season to last year, finishing the season with an identical record. The record was 6 wins, 6 losses. The varsity team was coached by Ms. Tolbert and the J.V. team which also finished with a 6-6 record was coached by Miss Glaser. The coaches and returning team members are looking forward to a more exciting dig, set, spike season next year.

GIRL'S SWIM TEAM MAKES A SPLASH

Our first Northgate Girl's Swimming and Diving Team made a big splash in Section VII of the W.P.I.A.L. Although the season's record was not outstanding, by the end of the season our team was respected and even feared.

The accomplishments of these girls came along by much hard work and determination, practicing twice a day, six days a week, and night practices for the divers.

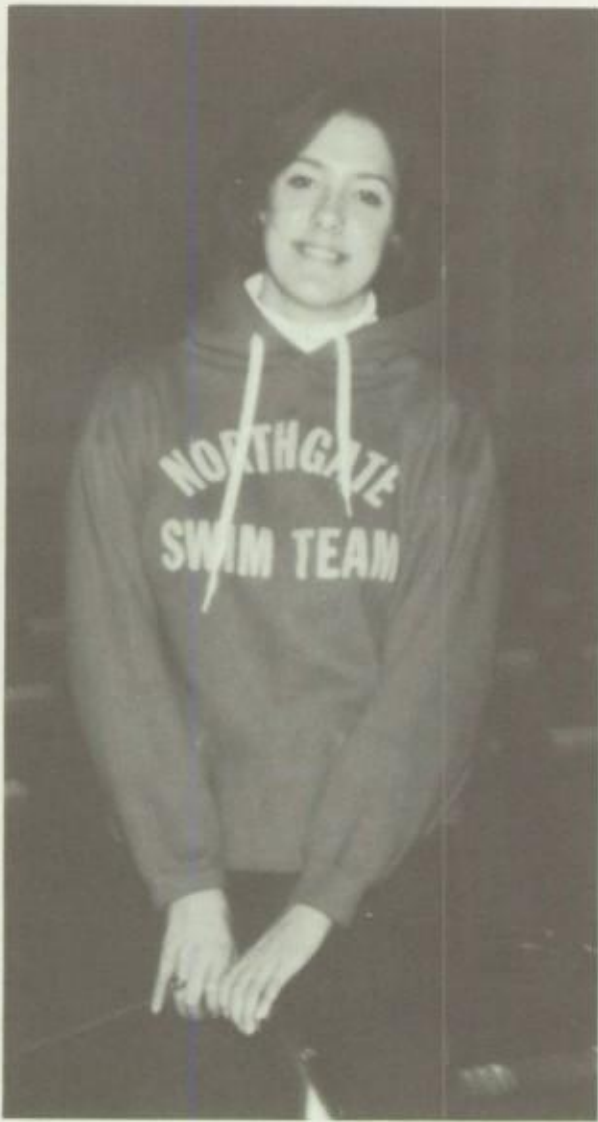

Under the direction of Mrs. Heath-Lewis and captain Cindy Henderson, the first year of the Northgate Girl's Swimming and Diving Team was encouraging and exciting.

FIRST YEAR FLAMES

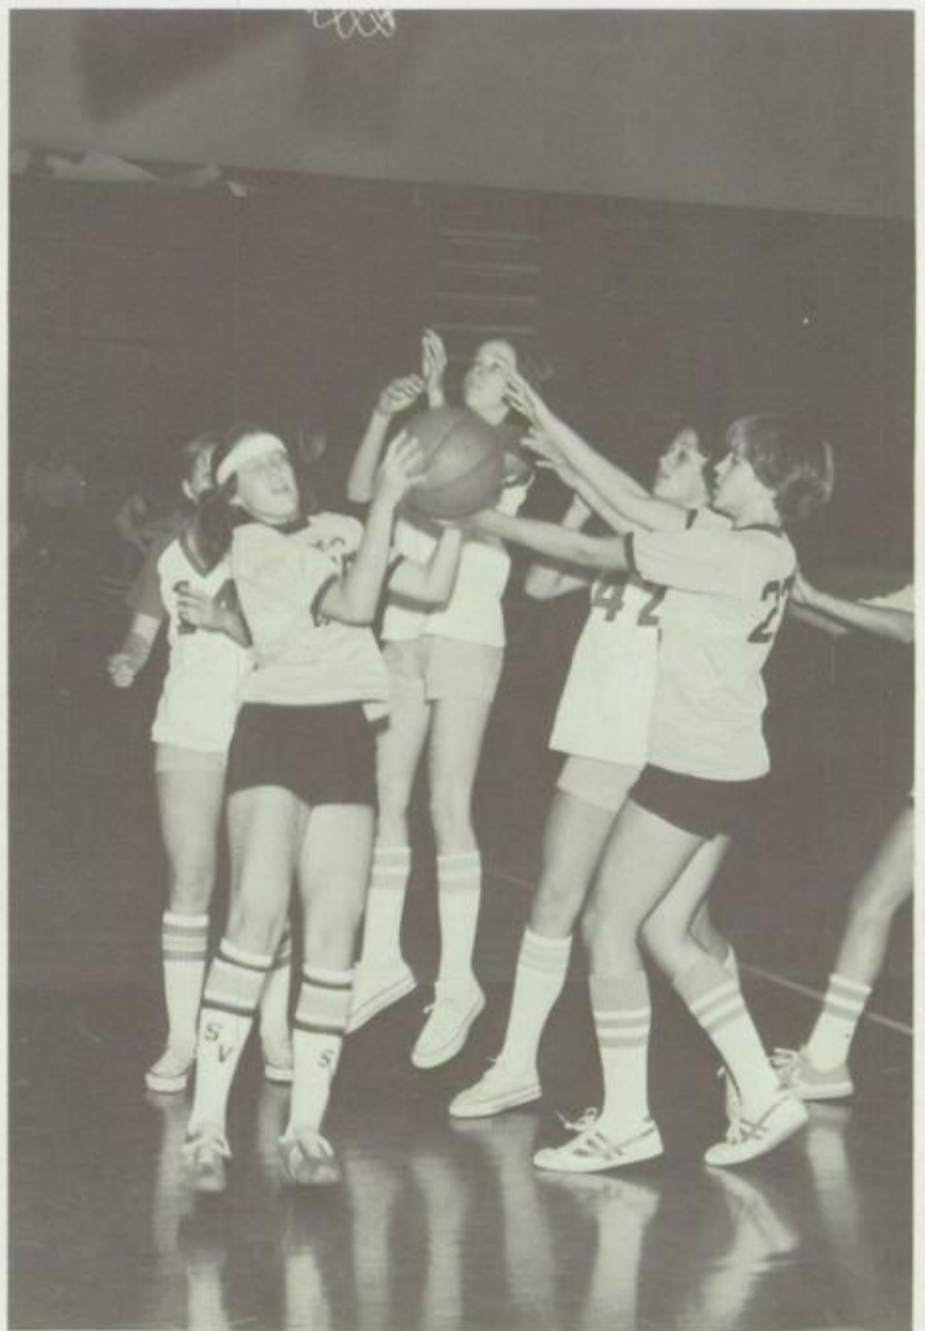

This spirited group of young women, along with their skilled coach, Miss Crankovich, combined teamwork, determination, and talent to bring respect to the first Junior High Girls' basketball team. They finished with a record of one win and nine losses. But despite their defeats they built up a wall of pride that is indestructable.

Fantastic, disciplined, talented, dedicated, entertaining, and very well coached were just some of the positive superlatives employed to describe the Northgate Varsity basketball team. Such adjectives were indeed accurate and appropriate. For the second consecutive year, Northgate captured a section championship and became involved in the W.P.I.A.L. play-offs.

Coach Caldwell's Flames were most sophisticated in their attack against the toughest scheduled teams known to the North Boros. Leading scorer Rod Scott was absolutely superb playing underneath while brawny Duane Barnes handled the center responsibilities extremely capably. Eric Urbanowicz manifested a great leaping ability at the forward position while Ed Major tickled the twine with deadly shooting outside at the strong guard slot. Joe Greer was the court magician who opened the lanes and made things happen.

Defensively, Northgate's famed 1-3-1 pattern was extraordinarily stingy, forcing opponents to take poor shots. Final statistics indicated that Northgate's antagonists averaged only 46 points per game while

the offensive averaged 65 points per game.

The Flames' magnificent bench was anchored by Tom Blythe who brilliantly played at three different positions. Frank Connell was cool, effective, and competent at guard; Ken Dabney performed in a flashy manner while Mike Myers played everyone tough. Rodger Purvis gave the team shooting depth and Greg Heibert and Pat Hirsch gave the Flames additional outside strength.

No one will ever forget the excitement which the Flames generated in '78. The rhyme "Northgate is Great" was really true. Thanks team for a stupendous year. Everyone will always cherish the memories of the super play-off victories and the P.I.A.A. runner-up finish at Hershey.

Overshadowed by the success of the Varsity, the Northgate Jr. Varsity basketball team, led by Coach John Gaetano, had its shares of excitement as well, while providing its members with much experience for their future as Varsity players. The boys who played were also winners and it is fervently hoped they will be tomorrow's champions.

The Northgate girls' basketball program was directed by Mr. Donald Dawson with tremendous assistance from Mr. Donald Murphy. These men instilled great pride and discipline into the lady Flames. Beyond these traits, the girls were pushed to acquire and utilize sound fundamentals and basketball court awareness and sense.

The lady Flames were put into a new section that was keenly competitive and most rigorous. The girls played well in most of the games and sometimes performed outstandingly.

Lisa Penrod was the number one contributor to the team leading the team in points and rebounds. Sandy Maug was also a most productive member, playing at forward while ever improving Terri Milewski handled the ball at point guard position. Additionally, ball hawking Karen Milligan was a key defensive player and she was assisted by Lynn Schmidt. A good team must have bench strength and Nancy Mihalov, Liz Killmeyer and Mary Weger more than adequately provided it.

This year's Northgate Junior High basketball team competed in the section 10 of the junior WPIAL. The season began with an exciting 31-30 win over Dorseyville, but scheduling problems due to weather allowed only one more exhibition game with Hampton before league play began on January 3 at Avonworth.

In the following weeks, the team became accustomed to practicing for games that weren't played, although rescheduling allowed the completion of section play against teams from Moon, Chartiers Valley, West Allegheny, and Quaker Valley.

Many of the players, especially end of the year starters Mark Metil, Bill Stapel, Ron Stephany, Jack Connolly, and eighth-graders Frank Lipchak, showed the potential to be fine varsity players in the future.

For the first time this year, Northgate High School had a boys' swim team. Coached by Mrs. Donna Heath-Lewis, the team did not rank high in the victory column, but showed great enthusiasm and improvement over the season. The team was beginning to show a lot of talent, until it was plagued by injuries to some of its best individual performers. None-the-less, this year's team served as a beginning. Many underclassmen gained valuable experience, and next year will be splashing into the pool again.

MANAGERS & STATISTICIANS — **Row I** — D. Regatuso. **Row II** — C. Gloeckner, D. Holmes. **Row III** — L. Andrews, J. Conway, B. Wilson. **Row IV** — J. Strayer, L. Marshall.

Sweat oozing from every pore, their grimacing faces ketchup-red, their gripping hands pale and white. Every inch of their body aches with pain as they exert themselves, entangled with their opponent in man's most ancient sport.

This is the tale of the wrestler. Wrestling is perhaps the most demanding sport of all. Few people realize the dedication, the long, hard hours of grueling practice which go towards six minutes on the mat. This year's wrestlers won't forget the frantic sit-ups, the running, and the spitting they are forced to go through just to make their weight class.

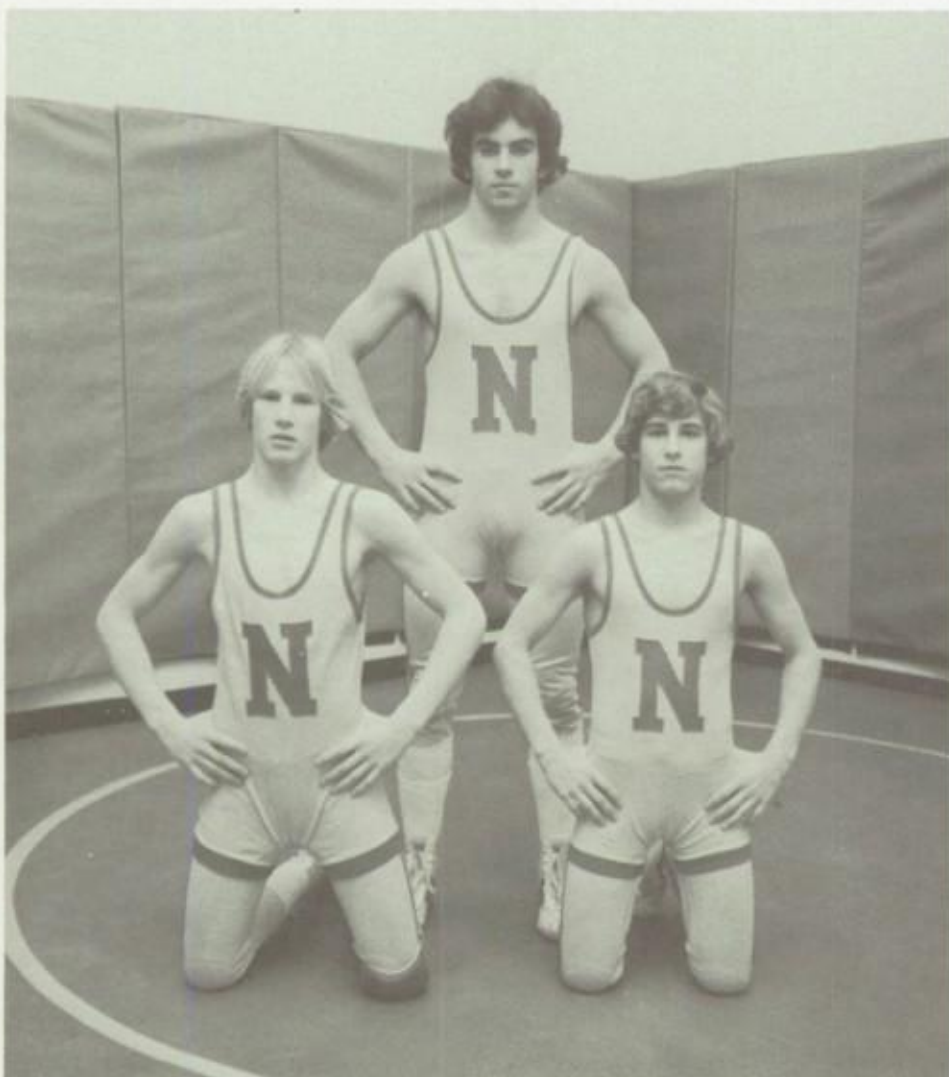

The dedication showed, however, as the Northgate Wrestling Team continued in its winning tradition. Often lacking recognition, this year's grapplers represented the school well. They won with pride, and they lost with dignity, and at the end of the season they had accumulated a lot of pride. Coaches were Mr. Rich Hile and Mr. Jack Downey. With many of this year's best performers being underclassmen, Northgate wrestling seems set for a bright future.

COACHES — R. Hile, J. Downey

COME SAIL AWAY

I'm sailing away
Set an open course for the
Virgin sea
For I've got to be free
Free to face the life that's
Ahead of me.

On board I'm the captain
So climb board
We'll search for tomorrow
On every shore
And I'll try, Oh Lord, I'll try
To carry on.

I look to the sea
Reflections in the waves
Spark my memory
Some happy, some sad
I think of childhood friends
And the dreams we had.

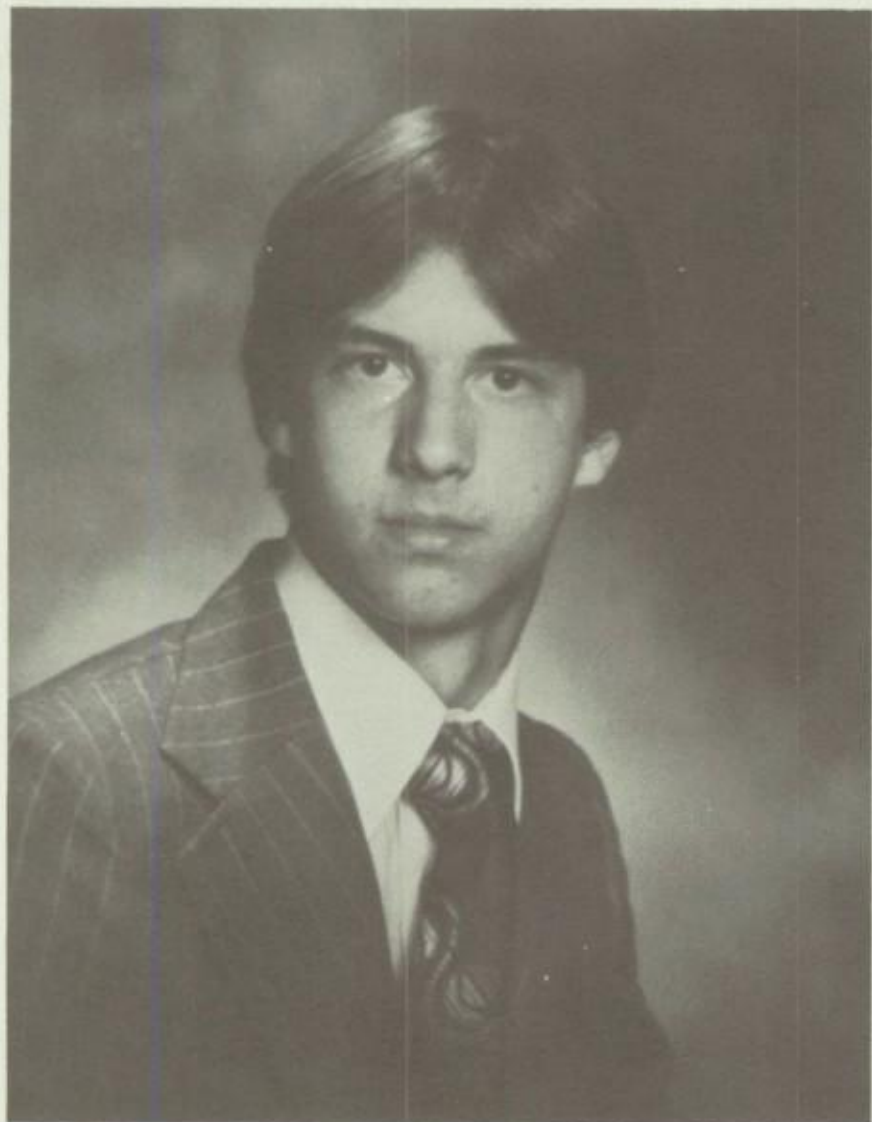

We lived happily forever
So the story goes
But somehow we missed out
On the pot of gold
But we'll try best that we can
To carry on.

A gathering of angels
Appeared above our heads
They sang to us
This song of hope and
This is what they said

Come sail away
Come sail way
Come sail away with me.

IN MEMORY

Joseph Vacek

I think for you still, and I know you are near. My memories drift back and we still are true friends. Joe, you've never left us. You will always be there when we need you. Life is never what it really seems to be, and everyone sees the way we feel for you. I wonder often about you, Joe, and if we had lived our summer dreams what would be of you and me. So many things never make sense to me. Now, I am alone with myself, but I still have you with me. That's just the way you are: always knowing what was right for the people you love. Your problems are not, but mine seem to slow me down. You'll help me as you have done before. Tomorrow will be ahead for all of us. What will we find? Will it be the answer that we can all understand or will it confuse the both of us as it has done so many times before. It matters much to all of us what we say and do in life since we want to do our best. Doing our best here on Earth will be a meaningful tribute to you. Life is for every one a relatively short time. We should make the most of it.

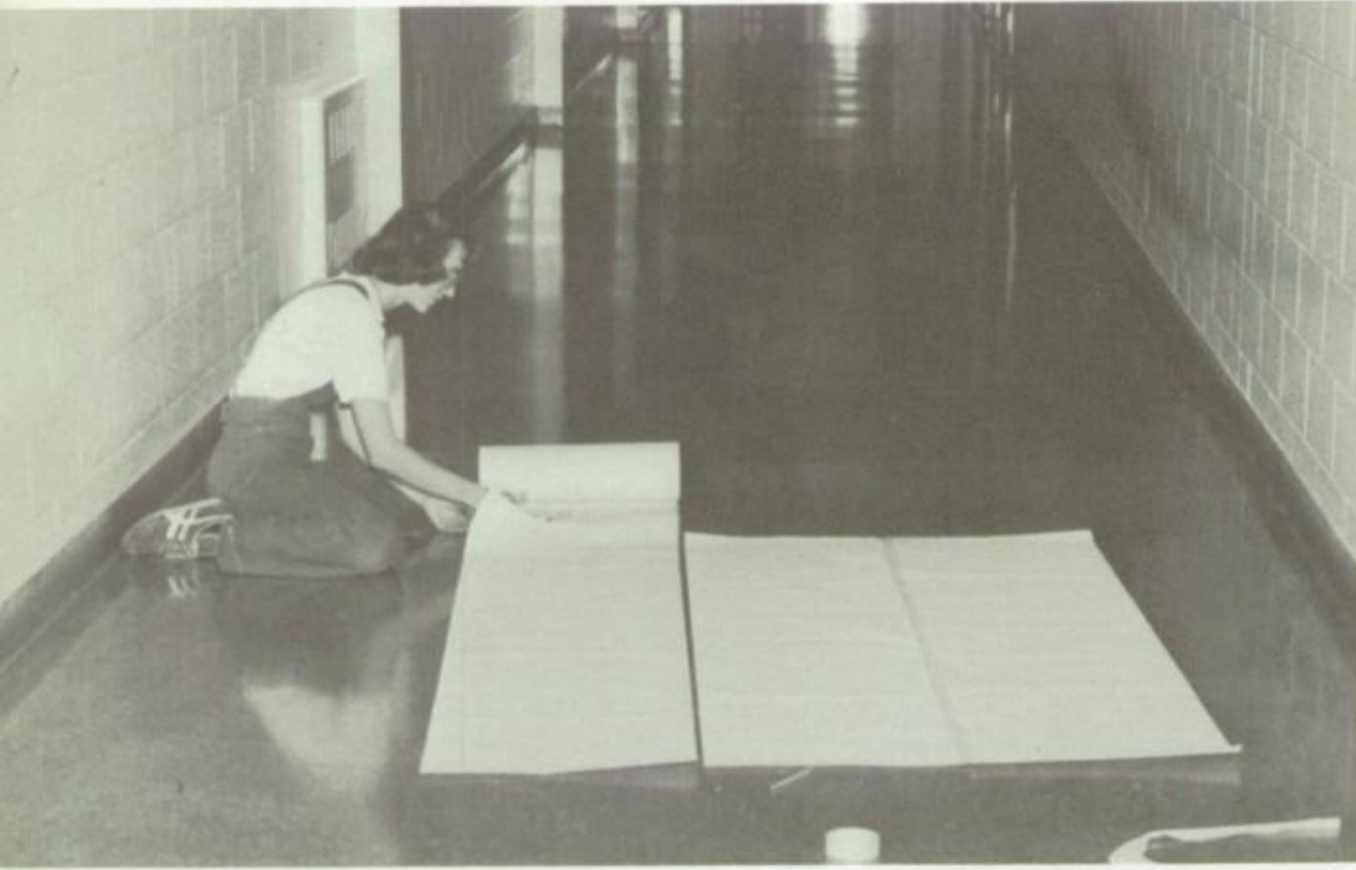

Dwayne Smith

Dwayne was shy, not well known, the type that was "seen and not heard." But he did have many close friends and I was fortunate enough to be one of them. He was a fun person to be with and talk to. He could put a smile on your face when you were in need of one. Dwayne was always doing favors for everyone and not once did he expect anything in return.

He was a sports fan, football and golf being his favorites. He worked long, hard days caddying at the golf course during the summer, and playing golf whenever he had the chance.

Dwayne, like everyone else, had dreams, and I knew of those dreams. Working with his older brother, having a nice house, and being successful are just some of them. Those dreams made Dwayne a determined and hard-working person. But now he is gone. All we have are the memories which we can keep and hold forever: memories of a beautiful person.

NORTHGATE HIGH SCHOOL ALMA
MATER

We sincerely our voices blend,
As through life we turn each bend.
Songs of cheer and worthy praise
To Alma Mater raise.

Guide us through pathways that we tread
as through our lives we go,
And help us choose the worthy steps
That lead us as we grow.

Through the years we will ever bear
Thoughts of thee as our lives we share.
Treasure always with deepest pride
Our dear old Northgate High.

THERE ARE TWO GOOD THINGS IN LIFE,
FREEDOM OF THOUGHT AND
FREEDOM OF ACTION.

The year book was created by a small group of very hard-working students. It began early during the summer with meetings. The editors attended workshops in the summer and also during school. Work continued throughout the year until the book was totally completed.

The students who worked on this year's book were very dedicated to making it better than any other year. They made up staffs to cover all aspects of producing a year book: Business, Layout, Literary, Sports, and Typing Staffs.

After going through half of the year without a sponsor, the year book received a very worthwhile sponsor in Mr. W. Caldwell. He proved to be the added spark the book needed, and greatly inspired the students for the remainder of the year.

(Bellevue, NWS) The Northgate High School Newspaper continued to develop into a successful publication this year. Under the supervision of Mrs. Annamae Lawson, a staff of dedicated reporters worked to bring the news of the school to the students.

Skills were improved as a newspaper workshop was held for the staff in December. The newspaper branched out this year, producing a creative writing magazine in co-ordination with the Spring Art Show. Throughout the year, the staff strived to improve the paper and circulate it on a regular basis.

This year's newspaper was really just a beginning. Northgate High School produced its first newspaper comparable with those of other schools. An exchange program with six other high schools produced many ideas which improved our newspaper. Looking to the future, the **Newsgate** will continue to broaden our horizons.

It is quite an honor to be selected for Quill and Scroll. Nominees are chosen by the newspaper sponsor, Mrs. Lawson and the yearbook advisor, Mr. W. Caldwell. Members received certificates and are eligible to enter national writing contests.

Quill and Scroll is not just an award for penmanship. It represents leadership, responsibility, and pride. It is an honor which will prove useful to an individual no matter what path in life they take.

To some, the band was just a group who played while the crowd munched pizza and spilled drinks. On the contrary, this year's band directed by Mr. Paul Gerlach, was quite successful. They heightened school spirit, performing at pep assemblies and the bonfire.

This year's band consisted of 64 students. Together, they suffered through long hard August practices followed up by a week at Grove City College where the band polished off the finer points of the act. Here, the band members learned to work as a team.

The hard work paid off, as the group gained three invitational performances, presenting a half time show at Carnegie-Mellon University, and competing at the North Hills and Bethel Park Band Festivals.

Long after the furry white hats and battered plastic raincoats were stored away, the band performed two concerts. Our band was versatile this year playing everything from Bach Fugues to impromptu versions "Misty Mountain Hop". The band also served the community, performing in local parades and the 4th of July festivities.

MOST DEXTEROUS AND VERY SHARP

Row I — J. Mamros, J. Reader, L. Jones. Row II — A. Zurbach, C. Donch.

This year's majorette squad combined the talent of experience of three returning senior girls with the ambition and enthusiasm of two first year twirlers. The result was a season of well choreographed acts performed to perfection. Supervised by Ms. Lori Street, the girls planned out many of their own routines.

It is often not recognized that the majorettes go through the same long hours of practice as the band. The squad showed tremendous dedication and spirit. The majorettes could also be called the "most smiling" group in the entire school. They added action and color to the band's performances and represented Northgate well.

SENIOR MAJORETTES — J. Reader, A. Zurbach, C. Donch.

DRILL TEAM CO-HEADS — C. Netzel, B. Baker.

Adding a multitude of color and variety to this years pre-game and half-time show was the Northgate Drill Team. Performing such eye-opener routines as "Goofus," "Sir Duke", and "That'll Be The Day" with ease as their smiles never failed. Sponsored by Mr. Paul Gerlach, choreographed by Ms. Lori Street and held together by the leadership of co-heads Carol Netzel and Beth Baker, they definitely had a gold-star year.

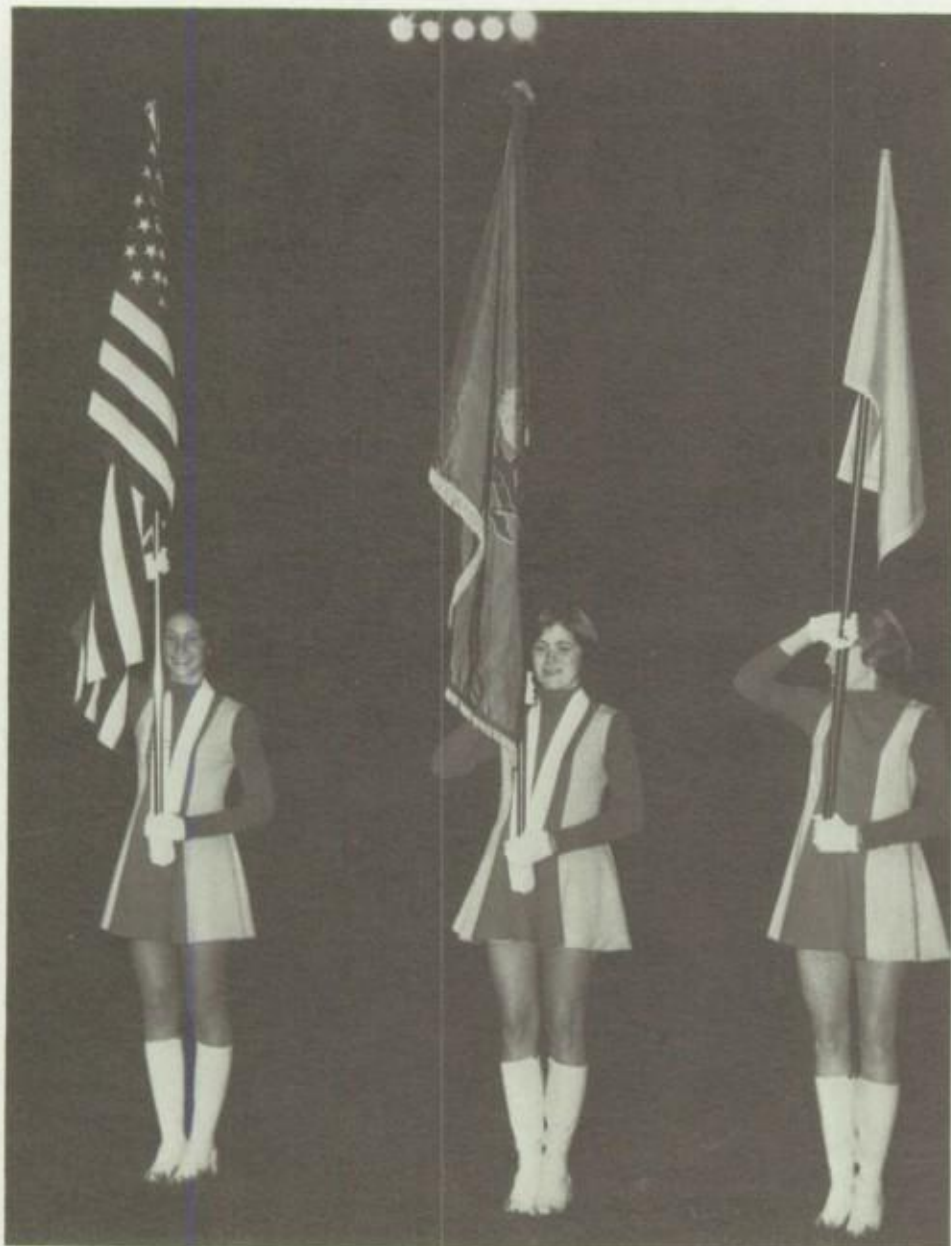

SENIOR DRILL TEAM MEMBERS — **Row I** — R. Logan, K. Jones, L. Loch. **Row II** — C. Netzel, D. East, B. Baker. **Top** — S. Maug.

COLOURING OUR WORLD

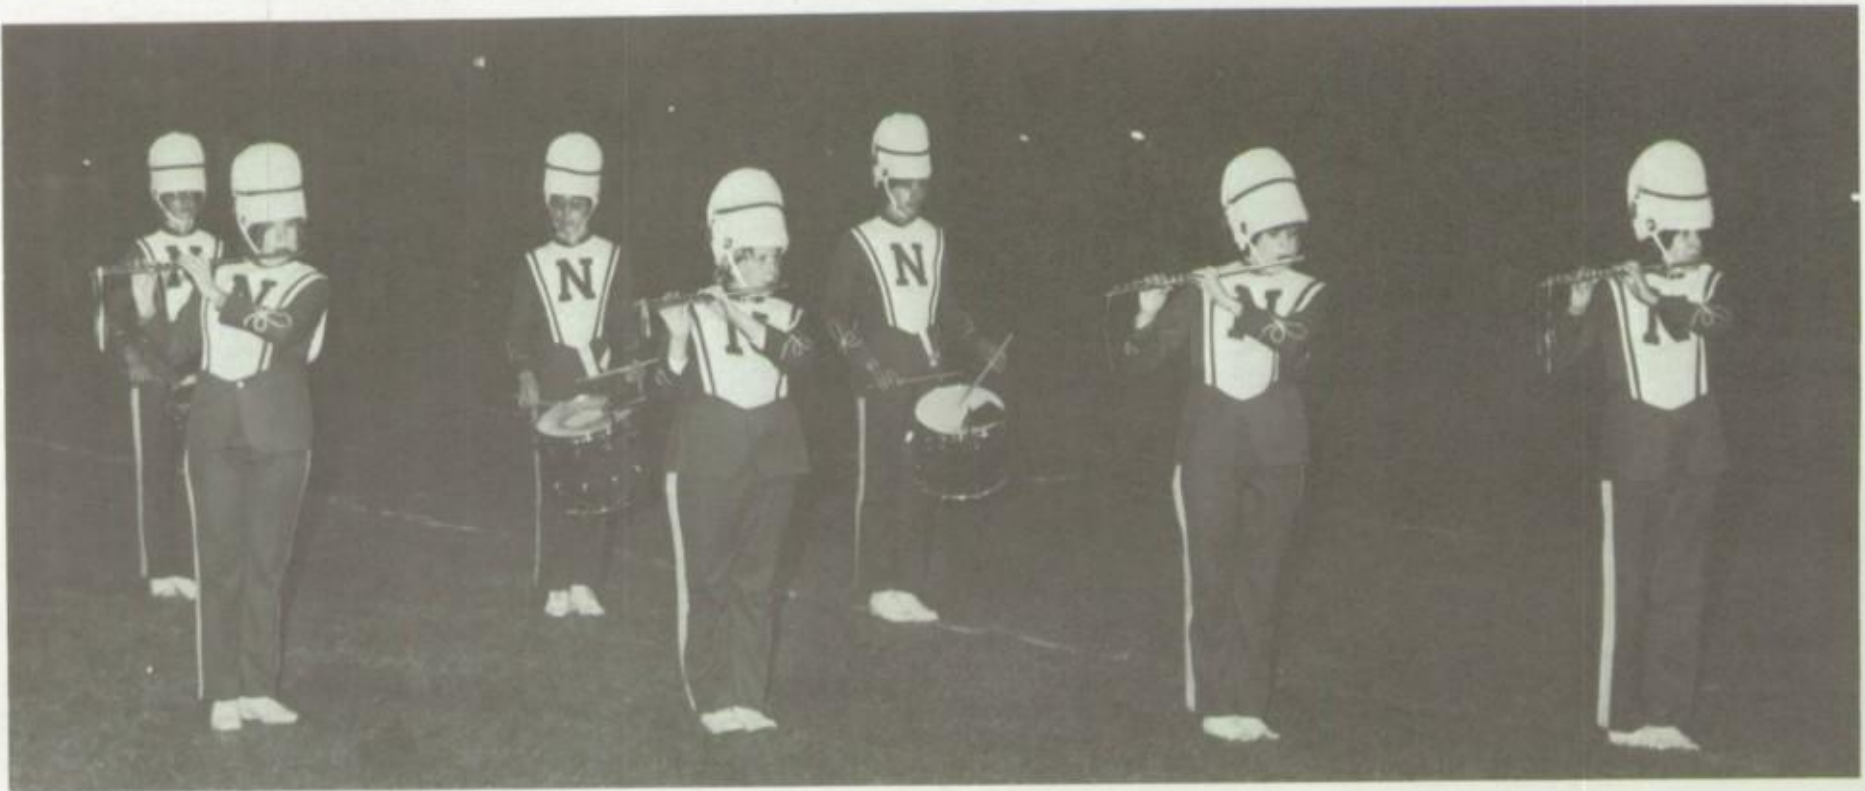

Row I — S. Gordon, C. Boles, G. Dray. Row II — D. Regatuso, S. Crawford. Top — J. Wisnick, Missing — B. Egerman.

New this year, these seven girls proudly displayed our school colors. Our hearts thrilled as we saw our Northgate banner, the American, and the state flag blowing in the breeze. The girls also added action to the band's half time performances; dancing and twirling their flags to such hits as "Nadia's Theme" "Goofus", and "Best of Lennon and McCartney".

Color guard head was Diane Regatuso. Sponsor was Ms. Lori Street.

BOOK WORMS OF NORTHGATE

LIBRARY STAFF — **Row 1** — S. Johnson, J. Strunk, C. Furher, C. Quinn, T. Hess, D. Yates, B. Baker, K. Jones, J. Nezpaul, D. Regatuso. **Row II** — J. Strayer, R. Hartwig, Mr. Blosser, T. Miller, B. White, J. Winters, B. Swidal, M. Netzel.

Northgate is fortunate to be blessed with students who most willing give their time to assist the faculty and sometimes the administration in assisting in the coordination and execution of specific necessary tasks. The Library Staff is a great example of this cooperation. Students very expertly help to shelve books, check-out books, keep records, and assist individuals in finding research material. Our library is most fortunate to have a tremendous librarian in Mr. Blosser. It is just as fortunate to have dedicated students helping others learn.

"THE PLAY IS THE THING ..."

"I guess he got the point!"

"Plop-plop, fizz-fizz"

"Gee, your hair smells terrific!"

"I think the roof is leaking"

"I don't wanna go up to my room! I don't wanna go!"

"May I cut in?"

The Marx Brothers

From the opening lines to the final blow of the mallet, the cast of **Count Dracula** thrilled its audience as no local class play before.

The small eight-membered cast was supported by close to one-hundred other dedicated students and skilled teachers.

Count Dracula by Ted Tiller was directed by Mrs. Vera White and student director, Wendy Tokarski. David Yates composed the music and special effects were directed by Jim Ceh.

The cast included: Tess Hess — Sybil, Virginia Blythe — Wesley, Bob Rieg — Dr. Seward, Mike Goerlich — Renfield, Dan McDonough — Jonathon Harker, Nancy Mihalov — Mina, Brian Tusa — Count Dracula, and Mark Kocent — Prof. Van Helsing.

This year's performance proved that the students and faculty of Northgate could unite to produce a fantastic event. The Class of '78's senior class play will surely be remembered for a long time.

Oh sola mia!

"That was my thumb, idiot!"

NORTHGATE SPIRIT BUILDERS

VARSITY FOOTBALL CHEERLEADERS — **Row I** — T. Beighey, A. Wilson, J. Williams, S. Semich, K. Milligan. **Row II** — L. Schlessman, C. Kenyon, A. Perian, N. Mihalov, K. Smay.

Every year, you can count on the cheerleaders to pour out a never-ending flow of spirit all over the school. This year's squad was no exception. They shared their excitement and enthusiasm at each sporting event, baked cookies for the athletes, made signs and pins, and held pep assemblies. Along with their sponsor Ms. Schuler, they used their great pride and unceasing devotion to make this 1977-78 school year a thrilling success.

Fight to the End!

Northgate is great!

Enthusiasm is contagious!

These ten girls were without a doubt the most devoted fans of the junior high football and basketball games. Baking cookies, making name tags, and cheering at home and away games, the cheerleaders made our junior high players feel as though they were on the varsity starting line up.

Their hard work started with August practice and continued with after school sessions. Under the instruction of Miss Kathy Glaser, the girls learned their cheers and practiced their acrobatics. Co-captains of the squad were Angel Heibert and Cheryl Williams.

The year provided the cheerleaders with many exciting, rewarding experiences. Perhaps the highlight was the A.I.C. North Bowl Game for the junior high football championship.

The missed flame.

KING FOR A DAY

The King of Hearts — Duane Barnes.

The King and his court.

The emotion was at a high point. The court and their escorts surrounded the throne, a converted library chair. A nervous crowd restlessly awaited the announcement. The Valentine King was about to be chosen.

The Sadie Hawkins Dance was a new tradition established at Northgate this year. Girls invited the "Boy of Their Dreams" to attend the semi-formal event. The cafeteria was converted into a wonderland of streamers and crepe paper hearts.

Prior to the dance, all the girls in the school chose a court of six finalists from the boys of the senior class. The senior girls then held a final election to choose the Valentine King. Their selection was carefully kept secret until the dance when Duane Barnes was crowned in a glittering ceremony.

The Northgate High School Chorus, Ensemble, and Girls' Glee Club, under the direction of Mr. George K. Pearsall, proved to be groups for all seasons. At Christmas Time, our auditorium echoed with the sounds of "Silver Bells" and "Santa Claus is Coming to Town." In spring, the second concert featured music ranging from "Cruxifixus" by J.S. Bach to "I Feel Pretty" from West Side Story, and the popular hits "Torn Between Two Lovers" and "All By Myself."

The chorus also performed music by such noted composers as Paul Christiansen, Charles Ives, and George Gershwin. The group gained notoriety early in the spring, as they participated in the California State College Choral Festival.

This year's chorus served the community, as well, singing concerts for senior citizens at the Greenstone Methodist Church, and wassailing along Lincoln and California Avenues during the Yuletide season.

THE INFORMERS

ANNOUNCERS — L. Cheiffe, J. Ceh, B. Baker.

ENSEMBLE combines the fine arts of choral singing and acting. The group, under the direction of Mr. G. Pearsall, performs short musical plays at choral concerts and assemblies for the student body.

At the December concert the ensemble presented "Christmas for Everyone". In the spring, they presented a skit involving popular easy listening tunes.

All original plays were written by Karen Furman and Mary Ruth Saylor.

Northgate announcers play a vital role each and every day of keeping the student body and faculty aware of daily events. We are fortunate to have individuals who communicated clearly each and every school day. The announcing crew helped to coordinate activities during the school day. It is aximoatic that communication is vital in a good school. Jim, Lori, and Beth did an excellent job of keeping everyone aware.

Student Council is Northgate's Voice in Student Government. The Hierarchy of Council is composed of the officers and Committee Chairpersons, forming the Executive Committee. Each homeroom and many activities elect representatives, thus completing the Council Role. General Student Council meetings are held every two weeks with Executive Committee meetings in the intervening weeks.

A major goal reached by Student Council was the completion of the constitution. Relations between students, faculty, and administration were broadened. Activities included Home Coming and Turkey Day. Services included Lost and Found, and money raising projects for charitable organizations.

All those connected with council realize that without the tremendous support of Mr. James Braham, Council's Sponsor, many of their accomplishments would not have been possible. Mr. Braham put forth an admirable effort and, in short, was there when needed.

Student Council worked diligently to insure that the voice of the students was heard. They succeeded.

The Ecology Club at Northgate was formed for the purpose of improving our environment, impeding wastefulness of resources, and assisting others to have a better life.

The students uniquely worked hand-in-hand with the adult Avalon Civic Association in collecting, sorting, and loading glass to be recycled as well as some tin. This task was undertaken the last Saturday of each month in all types of weather.

This year was a banner one and a new record of over 14,000 pounds was collected in one month alone yielding a sum of \$218.25. The average collection each month exceeded 7,000 pounds.

The money earned was given to charities such as Meals on Wheels, Children's Hospital, and the Northgate Band Boosters. Additionally, trees, plants and flowers were purchased in order to add beauty to our community.

Each year Mr. William Caldwell selects the outstanding student contributor to the organization. This year Miss Terri Hess was the recipient of the award. Terri labored tirelessly and was most loyal. She was extraordinarily thoughtful and even provided homemade bakery delights to the club on the recycling project days. Many thanks, Terri.

Organized this year to recognize outstanding academic achievement, the Cum Laude Society is composed of students who have maintained a 3.5 or better QPA throughout their high school career. Juniors are inducted in the spring as provisional members with final induction taking place in their senior year.

The Society is not merely an honorary group; it also exists to promote academic achievement among the

students at Northgate High School and to provide service to the school and the school district. This year the Society served as guides during the American Education Week Open House for parents and for the Tri-State Regional Study Planning Commission meeting held November 30. The Organization also engages in fund-raising activities throughout the year to sponsor a banquet in the spring honoring old and new members.

A.W. BEATTIE TECH STUDENTS

In September of 1969, the doors of Alfred W. Beattie Vocational Technical Training School opened for the first time. The school's purpose was to provide high school juniors and seniors with practical, career-oriented training.

Beattie students are a select and dedicated group. In tenth grade, potential students must decide upon a two year course of study. They are later screened through a series of personal interviews. If they are selected, they are subject to strict grading and attendance requirements at the school.

Most students ride the now infamous "Beattie Bus." A.M. Beattie students are already boarding their bus when some other Northgate students are still lying in bed. P.M. students often do not arrive home until after five o'clock.

The original Beattie Tech provided fourteen courses. In 1973, an addition was built onto the school and the curriculum was expanded. Today, Beattie offers 23 programs of study. Courses range from Cosmetology to Heavy Auto Repair, Medical Training to Industrial Design, Baking to Appliance Repair. All Beattie courses give students actual work experience and prepare them for an occupation after graduation.

1977's Homecoming Queen — Karen Smay

As the Northgate Cafeteria became downtown New York, the 1977 Homecoming Dance was under way. And as the evening wore on the festivities became immense, heightened by the crowning of the Queen.

Had you not known that lunch was served the day before you would have thought it to be an elaborate dance hall, as the sparkling lights and outstanding decorations were creatively made and put up.

It was a lovely evening for all spent in the heart of NEW YORK.

TRAVEL STUDY AT WILLIAMSBURG, VA.

A grand tradition that Northgate has is an annual spring sojourn to Virginia to acquire insight into and understanding of America's past where the amazing freedom we enjoy was born. March 8, 1978 was "T" day inasmuch as the Trek commenced on that date. A beautiful and luxurious coach transported our students to Jefferson's famous Monticello and then to colonial Williamsburg. Additionally, our students journeyed to the first battlefield at Yorktown located by the Chesapeake Bay where old Cornwallis made the final surrender and to Carter's Grove Plantation. On the return north, students were treated to a visit at Mt. Vernon to learn more about the great George Washington. In all, 1,000 miles were traveled in the pursuit of knowledge.

The study tour was first developed and provided three years ago. Each subsequent year, a group of forty-three students have availed themselves to the opportunity. Mr. Harvey with assistance from Mr. W. Caldwell and Mr. R. Caldwell meticulously put together an educational package the students could experience and from which they could greatly benefit. The trip was a four day affair and one that students will never forget; conversely, it was one they will always cherish.

ACTIVE WINTER CHANGES ACTIVITIES

"I wouldn't if I were you!"

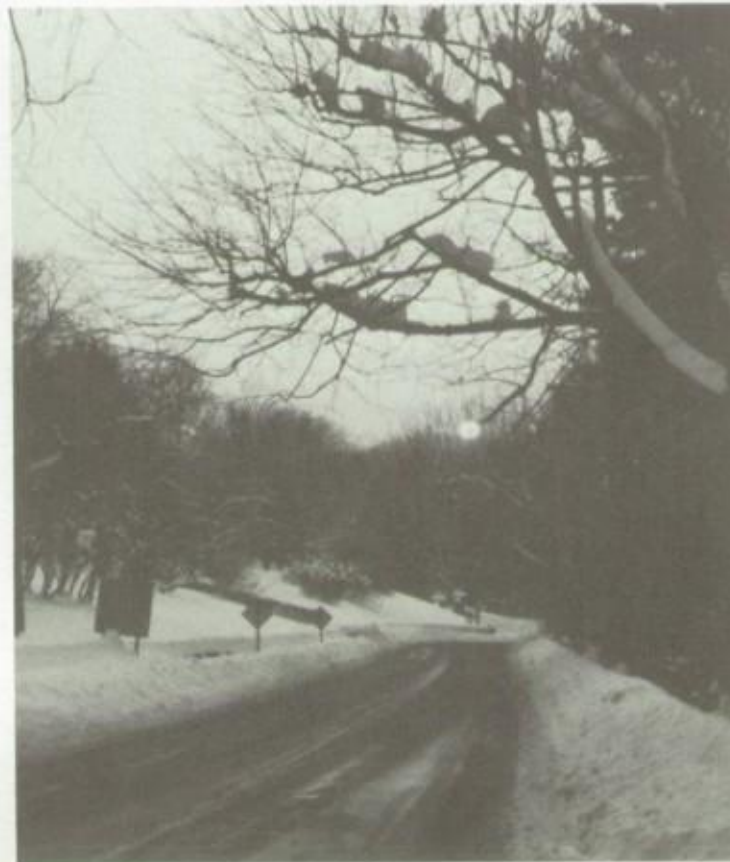

Believe it or not.

Tracks from last period's gym class.

Another hill to climb.

The point of no return.

Track goes on.

A review of activities must not be concluded without a consideration of the winter of 1978. Very severe cold with gusty winds and record snow falls caused delays, postponements, and cancellations of planned programs ranging from concerts to athletic events.

No person will ever forget the experiences of attempting to get to school and trying to make paths

around our school once here. Nonetheless, Northgate students not only endured the winter but overcame the elements in a most admirable fashion.

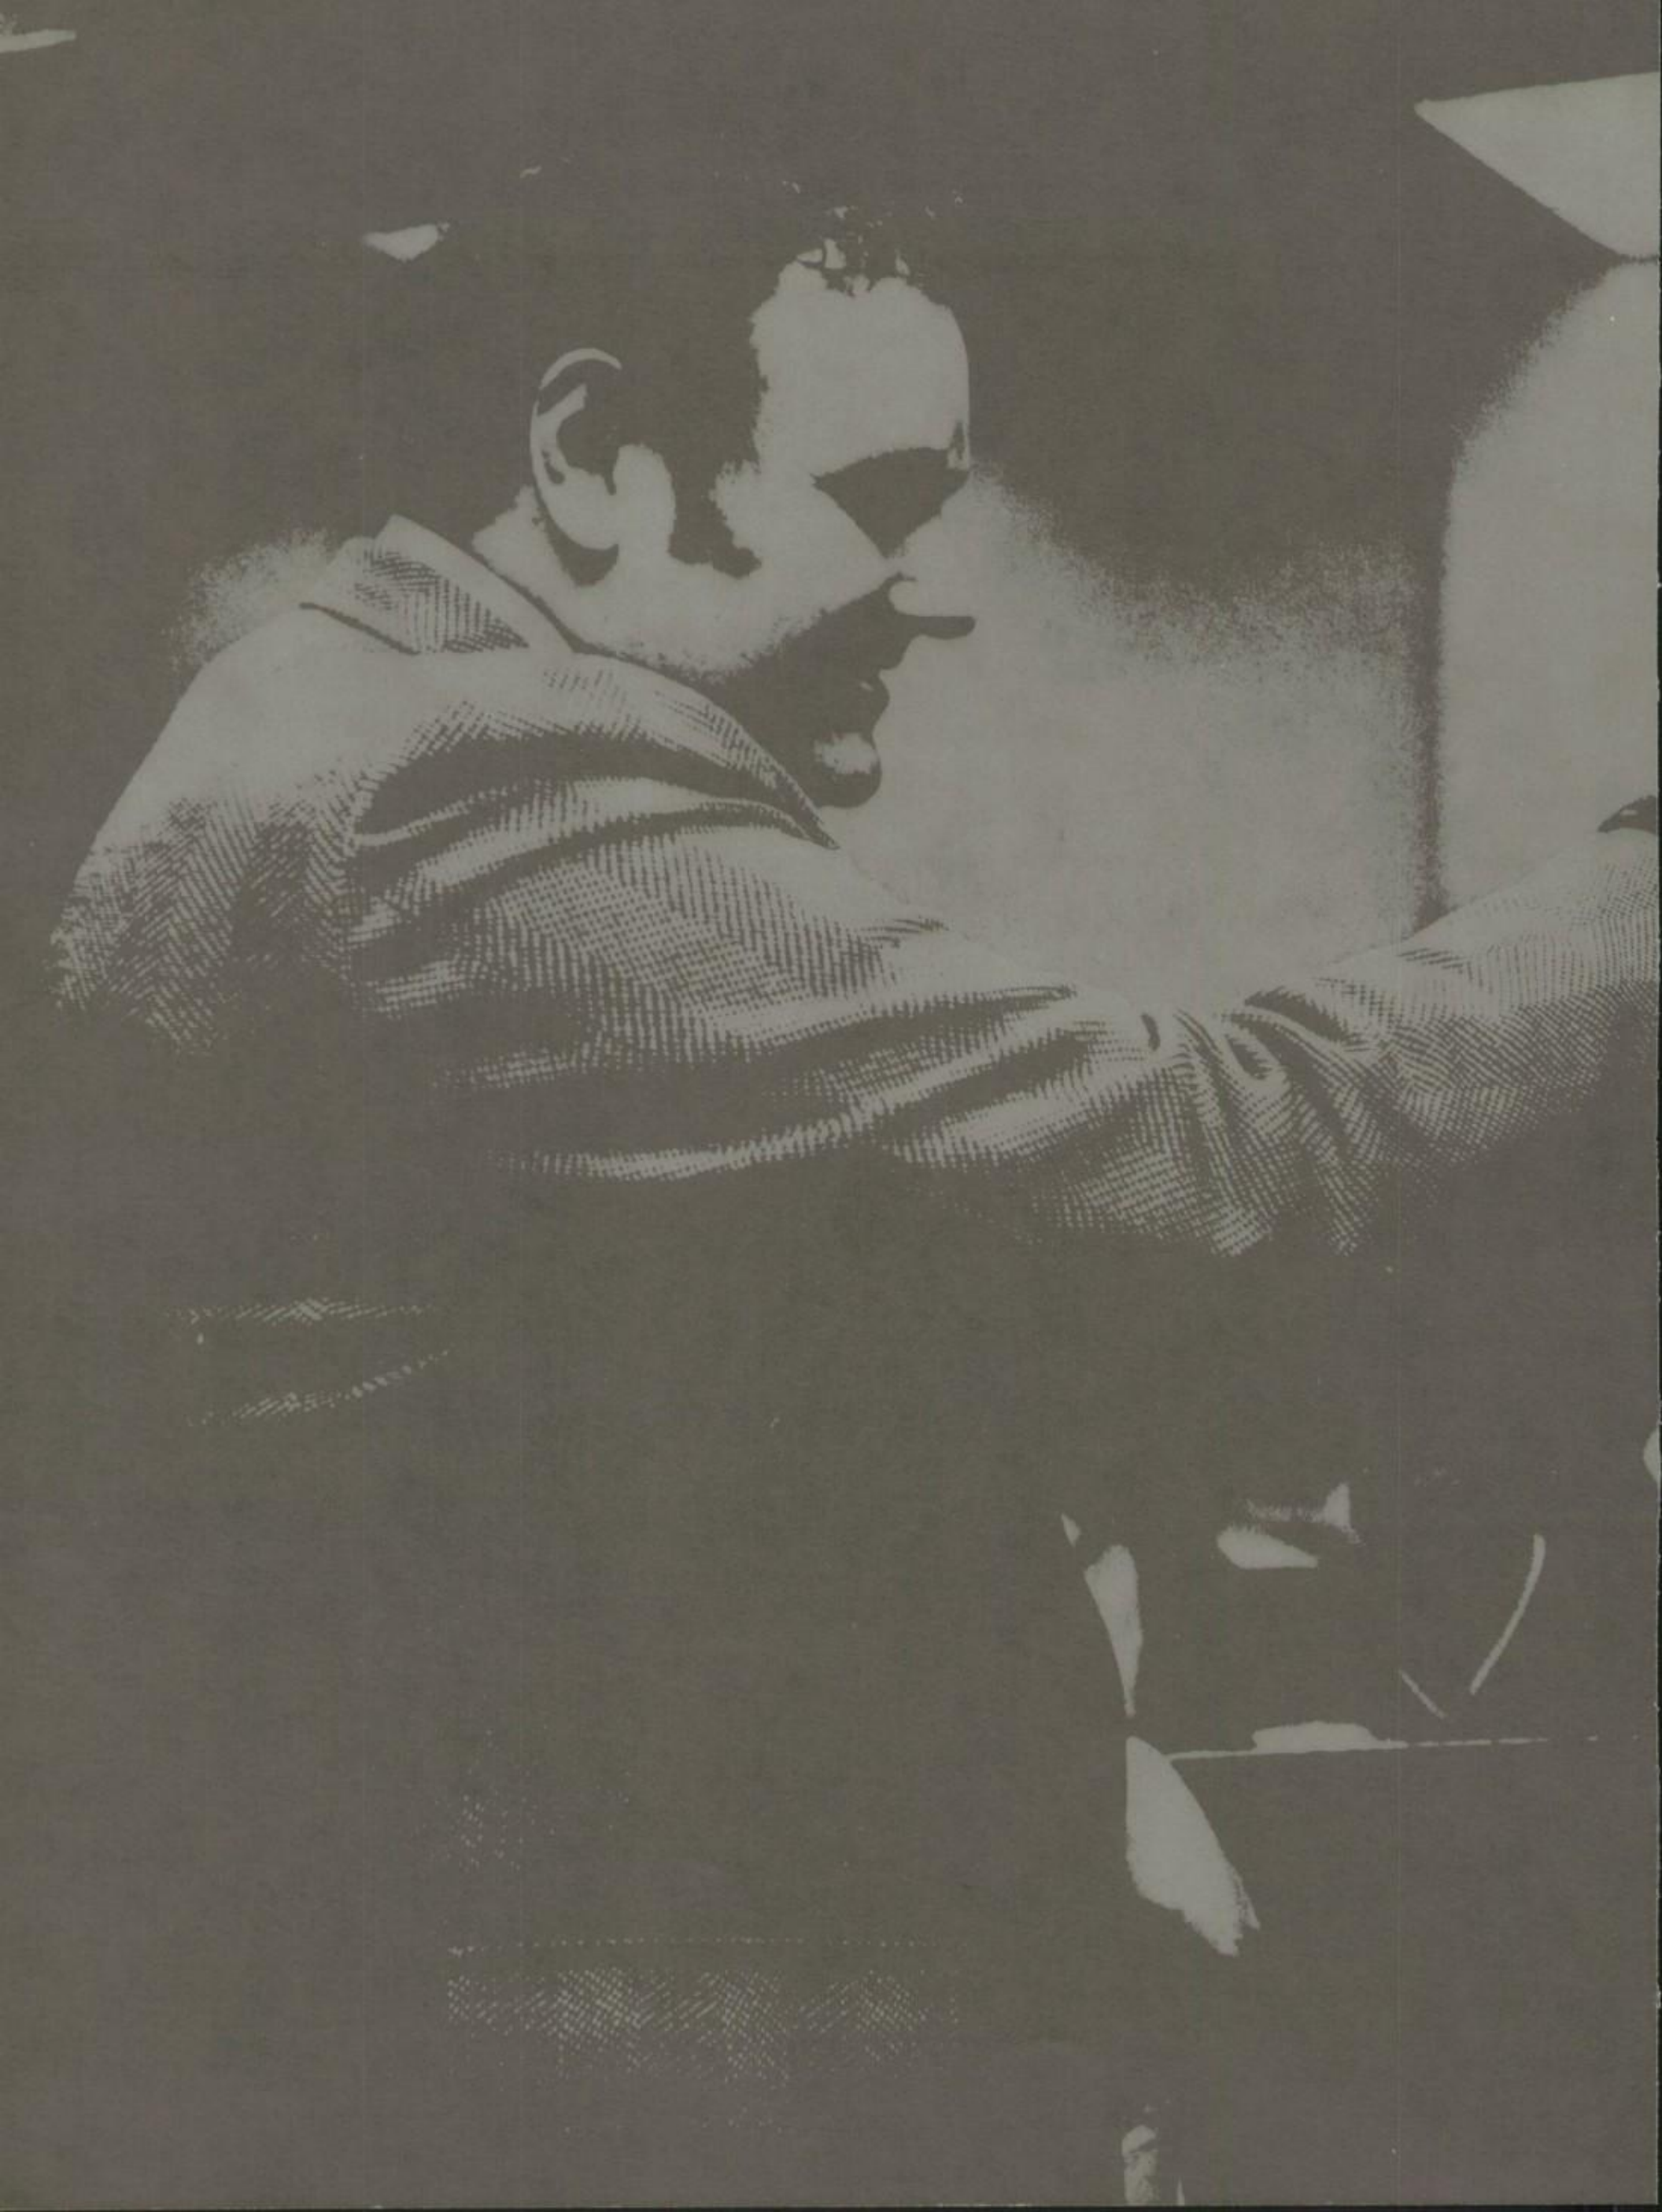

As the pictures here reveal, it was not a "winter of discontent," but one of growth, activity, and promise. Phil, the famed groundhog, missed it all and that's a shame.

A REFLECTION AS OUR ACTIVITIES END . . .

The larger the island of knowledge, the longer the shoreline of wonder.

ALL HAIL (STONE), FRED

The background behind Mr. Hailstone certainly depicts a mechanical unit that indeed is complicated. It is necessary for Mr. Hailstone to have great insight into and knowledge of not only that unit shown but many others in order to have our buildings in operational shape so students can learn. He has ardently studied mechanical devices and has shared his wisdom with the vital people on his staff. He is a man who is most precise and this trait has readily been apparent to all of us at Northgate.

Thanks to Mr. Hailstone and his crew, our school buildings are clean, safe, and pleasant. Great trust has been placed in him and he has responded with a job not only well done but one done in a most excellent manner. Because of these traits and accomplishments, to which a cooperative spirit and a delightful worker must be added to more fully describe Mr. Hailstone, we of the **Phoenix** staff do cite him for special recognition. Thanks for a super job.

NORTHGATE'S SCHOOL BOARD

Mr. Connolly

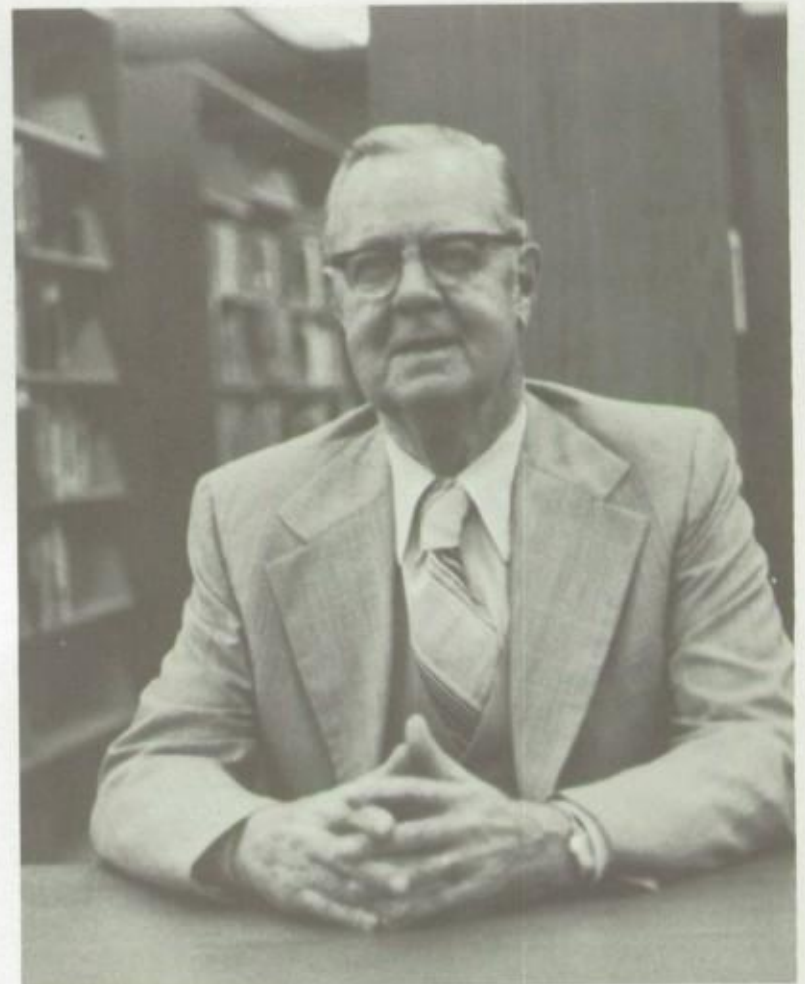

Mr. Silvestri

Mr. Hughes

The Northgate School Board consists of a group of nine elected individuals who are vitally concerned with the welfare and the future of our school community. These dedicated men meet formally once a month at public sessions and meet countless times beyond this regular format in committee sessions. Further, they attend many school functions ranging from concerts to athletic contests. The challenges which the board members face are various, complicated, difficult, and extremely significant. Additionally, board members are subjected to tremendous pressures and frustrations and undertake great tasks. They receive no recompense for their time; nonetheless, they labor arduously and admirably in the pursuit of making Northgate a great educational institution. The only reward they realize is deep personal satisfaction. Northgate is fortunate to have such men in a time, such as now, that tries men's souls.

"Rebuilding was the key word this season," according to Mr. Wyland, head coach of the Northgate Varsity Baseball Team. Along with Mr. Unks, he coached the Flames from early training in January to the conclusion of their season in May.

After losing many seniors, this year's team of mostly underclassmen, still managed to come out of their season with a respectable record of 6-8.

The few seniors that were on this year's team performed impressively. Bruce Kirsch won the Golden Bat Award, Craig McCarthy won the Golden Glove, and Jeff Brown's pitching earned him an All Star rating in the **Free Press** and a try out with the Baltimore Orioles.

Among the new sports to come to Northgate this year was girls' softball. This springs' team played in WPIAL Section XII and was coached by Mr. George Hayduk. The softball Flames were led by seniors Lynn Tennant and Pudgie Ligons, with underclassmen Kim Cato, Mary Grimshaw, and Faith McQuillan leading the hitting attack. As a first year team, the girls were quite successful. They won their two initial games, before being soundly defeated by Swissvale, the traditional Section XII leading team. With all the potential exposed this year the team looks to have an exciting future. Coach Hayduk says optimistically, "We're planning to give Swissvale a fight for the Section next year."

TOM JONES

"I think they're ignoring me!"

"It must have been the Johnny Marzetti!"

"Brother, are you saved?"

"Do you use Lux?"

This spring's Jr.-Sr. class play was **Tom Jones**. It was not the story of a popular singer, but rather was based upon an 18th century novel by the British author Henry Fielding.

The play was directed by Mrs. Vera White, with leading roles played by Brian Tusa and Sue Pavlot. The cast also included over twenty other speaking parts. Much credit is due to Andrea Santa and her staff who through research created the entire wardrobe used in the play.

Practice began late in March for the performances which took place May 13 and 14. Both the cast and audience will long remember this excellent production.

"Tally-ho!"

"I told you! . . . I gave at the office!"

MOONLIGHT AND ROSES

The 1978 Northgate Jr.-Sr. Prom was held May 20 at the Allegheny Club in Three Rivers Stadium. Formally attired students boogied to the disco sounds of the band JVC. The 150 couples attending also enjoyed a full course sit-down dinner.

The after prom, this year sponsored by parents, was held at the Islam Grotto. Here the couples could enjoy buffet refreshments and dance (or sleep) to the rock 'n roll band.

It was an evening of shiny, flashy tuxedos, and stylish dresses. It was an event that all who attended will long remember.

"LOOKS LIKE WE MADE IT"

The Northgate High School Senior Class officially graduated on the evening of June 6, 1978. It was an event marked by mixed emotions; the day of finally completing a high school education, and the sorrow of leaving close friends and familiar faces.

Diplomas were awarded by school board members Mr. Hughes and Mr. Pearson. Student speakers were Ed Flickinger, Judy Kopczynski, and Carol Quinn. This year's seniors and their guests had the unique opportunity to see a "portrait of their class" presented in color slides. There was quite a lot of handshaking, hugging, and tears were shed as the Class of 1978 said good bye. Picture above are just some of the happy recipients of diplomas.
